SPIRITS WERE VERY DULL

ROSIN, HOWEVER, OPENED SATURDAY AT SMALL ADVANCE WITH FIRM CLOSING.

The Savannah News of February 12 says:

The spirits of turpentine market was quoted "nothing doing" yesterday for the first time in many months. The condition making this quotation necessary was brought about by the entire absence of sales at any time during the session. The opening was dull at 52 1/2 cents, and the closing "nothing doing," price unchanged. Receipts continue very small, those of yesterday amounting to but 54 casks. The New York market was closed and so no quotations were received from that source, but London showed an advance to 37-1 1/2.

The rosin market opened firm at an advance of 2 1/2 cents on all grades from and including H and below. The sales were 1,624 barrels, posted at the opening of the market. The closing was firm and unchanged without further sales, but in the late afternoon the offerings generally were cleared up at an advance of 2 1/2 cents on all grades from and including H to D, the remainder of the list going at quotations. The receipts were 885 barrels, and the shipments, 233. No New York prices were received.

J. J. McDaniel Explains THE 2-CENT PER BOX PRICE.

Bear Head, Fla., Feb. 10, 1905.
Editor Pensacola Journal:
Having seen a communication in The Journal, from D. E. Richardson, of DeFuniak, regarding myself, I will be glad if you can give me space in which to reply.

Some time ago I noticed an article in the Industrial Record in which my name E. P. Rose and Johnson of Deerland, were mentioned as giving 2 cents per box, and I replied to it in this way: That I had paid up to Christmas 1 1/2 cents and as T. M. McConnell, Richardson, Tharp, and others were paying 2 cents up to Christmas, I was forced to do so, as they were from two to nine miles of me.

I see that Mr. Richardson has replied to the effect that I accused them of being the cause of the increase. I did not accuse them, but I will say now that if they had not paid 2 cents I would not have done so. I did not care, so far as the Chipley prices were concerned, but these people are my immediate neighbors and it is true that they paid 2 cents up to Christmas while I paid only 1 1/2 cents. It is also true that there is a T. M. McConnell, and a Richardson and a Tharp, all in the turpentine business at and near DeFuniak and it is true that they and others paid 2 cents per box two weeks before Christmas and caused me to make the increase of 1/2 cent.

The article in the Industrial Record seems to place the whole matter on myself, E. P. Rose, and Johnson at Deerland. This is not true of myself as I am opposed to the 2-cent per box rate.

Yours very respectfully,
J. J. McDaniel.

FUNERAL OF CAPT. WILSON

REMAINS OF WELL KNOWN STEAMBOAT MAN LAID AT REST SUNDAY AFTER-NOON

The funeral of Captain Dave Wilson, who expired at his home on Reus street on Saturday after an illness of 10 days with pneumonia, were laid at rest in St. Michael's cemetery Sunday afternoon. The funeral services were conducted in St. Michael's church and were attended by the Knights of Honor, of which deceased had long been a member, in a body as well as by a large number of friends and acquaintances. The pall bearers were Captains Sutherland, Fling, Stokes, Boghich, Price and McSwain. Captain Wilson was born in Rhode Island fifty-six years ago and has been a resident of Pensacola since 1863, when he came to Florida as mate on a schooner with Captain E. E. Saunders. He remained in the coastwise trade for a number of years after which he was employed as captain on several different tugs owned by Capt. Saunders. After leaving the service of Capt. Saunders he was employed by W. B. Wright & Co. and at the time of his death was commander of the Columbia.

His only relative in Pensacola is his wife, although he has numerous relatives in the northern states.

Perfect Confidence.
Where there used to be a feeling of uneasiness and worry in the household when a child showed symptoms of croup, there is now perfect confidence. This is owing to the uniform success of Chamberlain's Cough Remedy in the treatment of that disease. Mrs. M. I. Basford, of Poolsville, Md., in speaking of her experience in the use of that remedy says: "I have a world of confidence in Chamberlain's Cough Remedy, for I have used it with perfect success. My child Garland is subject to severe attacks of croup and it always gives him prompt relief." For sale by all druggists.

Notes.
Owing to the weather conditions prevailing yesterday, there was little or nothing doing in the bay; and if the weather man's forecast for to-day approaches materialization, there will be nothing doing to-day.

Referring to remarkable records made by sailing vessels on long voyages, the Marine Journal, of a recent date says:

"Notable among these are the five-masted sailing ship Preussen and the five-masted bark Potosi, owned by F. Laeisz, Hamburg, Germany. The Preussen has made a record of 17 knots an hour, while the Potosi has 16.5 knots an hour to her credit. Last year the Potosi made the voyage from Lique to the Lizard, a distance of about 11,000 sea miles, in the remarkably short time of fifty-seven days. The Preussen has the following three remarkable voyages to her account: From Geestemunde, 31st July, via Start Point, 4th August, to Lique 8th October—sixty-five days. From Lique 24th October, off Scilly, Jan. 11, at Cuxhaven 20th January—seventy-nine days. From Hamburg, February 16, via Ushant, 5th March, to Lique, 1st May—fifty-seven days. From Lique, 14th May, off Lizard 21st July, in Cuxhaven, 25th July—sixty-eight days. From Hamburg, 20th August, via Scilly, 26th August, to Tocopilla, 6th November—seventy-two days. From Tocopilla, 19th November, off Lizard 1st February, in Cuxhaven, 4th February—seventy-four days. The Preussen is 5,081 tons registered and 407.8 feet in length, while the Potosi is 4,926 gross tons.

BASKETBALL GAME THURSDAY NIGHT

PENSACOLA CLASSICAL SCHOOL TEAM WILL MEET TEAM FROM HOWARD COLLEGE AND GOOD GAME IS EXPECTED.

Those who have become interested in basket ball will be gratified to learn that Mr. Lockhart, manager of the Pensacola Classical School team, has secured a game with the team representing Howard College, to be played in Armory hall next Tuesday night, February 16.

All who saw Howard College play here last year will remember the brilliancy of their game. No team that has visited Pensacola has given as good an exhibition of basket ball as did Howard's players last year, if we view the game from the standpoint of a strict interpretation of rules.

Howard's prominence in athletics is confined entirely to basket ball, but during several years past her team has been among the best in the South, and the Classical School is to be congratulated on securing a game with them; the last perhaps of their season's games.

The line-up of the two teams will be as follows:

| Howard | Position | P. C. S. |
|-----------|-------------|----------|
| Payne | Center | Avery |
| Robinson | Rt. Forward | Morgan |
| Cross | Lt. Forward | Lockhart |
| Greenhill | Rt. Guard | Zeek |
| Counts | Lt. Guard | Harvey |

The Classical School team as thus made up should prove a strong factor in a game, and will certainly afford lively entertainment for the visitors.
